So hush now in your head  
Said sneaky red

Can you justify breaking the silence  
That had both of us wrapped around  
Warm and covered now

In so many ways we took the fun out of our whistling  
days  
Soon everyone goes with a whistling far too deep  
Mistakenly

Girl, I miss you now much more

Than I ever did before  
Here is to another year  
Getting accustomed, dear  
With our watching  
You disappear

So trade the farewell  
For a second chance and a story to tell  
And I'll keep you

Warm and covered now  
So warm and covered  
Warm and covered  
Warm and
