Rolling in the Summer got some Chronic Got some
Juice
Laid Back, yeah we Getting Loose
Money on my Mind
Got my Honey by my Side
Money on my Mind
Got my honey by my side (laid back)
Rolling in the Summer
Got some chronic got some juice
Laid Back, yeah we getting loose
Money on my mind
got my honey by my side
Money on my mind
got my honey by my side
Laid Back, yeah we getting loose

Verse 1

It's a lovely day so I gotta say that
We should take the day off and go play
maybe parlay, and lounge around the pool
we could hit the beach, plastic cup beer
Kush and Busch, be rolling like a dime
living for today, don't care about time

It's just a day, today's a loving day, soooo

Those lazy hazy crazy days of summer
Laid Back

Those lazy hazy crazy days of summer
Laid Back

HOOK

Verse 2

Living by the beach and I don't have a tan
just out my reach got a beer in a can
L's back to back one in each hand
we call it relaying, or maybe hot boxing

hit me on the hand held to see what's popping
beach life crazy, i know you see the options
haters on me, but they ain't gonna stop me

Those lazy hazy crazy days of summer
Laid Back

Those lazy hazy crazy days of summer
Laid Back
