### HOOK

It ain't always umbrellas in the rain  
It ain't always umbrellas in the rain

It ain't always umbrellas in the rain  
It ain't always umbrellas in the rain

### Verse 1

Welcome you've just entered my life  
As I re-tell it on the mic  
See you get the flashes  
But I see the brights  
I'm outside, so tell me  
What do you want me to rap about  
My pain, my depression  
My anger and aggression  
Or these pills that I should be taking  
Or the ones that I am  
And let me tell you what I can't stand  
How your favorite rapper has five ghostwriters  
He does pop art, a pop tart, let em get the toaster  
But let me just chill and hold my composure  
Cause he probably sold five mill...  
And I'm trying to sell my CD for five bills  
So I can retire and get a crib in the hills  
Get a pile of pills and hit exile with thrills  
Cause I been walking with no umbrella for way to long  
With rihanna just singing that song  
Cause I ain't got no fucking umbrella  
Naw, I ain't got no fucking umbrella  
Ella, ella, ella

### Verse 2

Now imagine if I was you and you was me  
Living this hip hop dream with a movie theme  
An artist trying to draw attention  
Spit rhymes sick as salmonella  
Walking with no umbrella  
Just spitting my accapella  
Standing in the rain

Rapping to the rain drops and snare kicks  
Thunder, lightening, when the air hits  
Sometimes I don't care shit  
Try being a starving artist  
Got food for thought  
But nothing to eat  
You couldn't walk a mile in the pair on my feet  
Size 10 but you ain't fitting  
It's fitting,  
Now I'm Universal everybody wants to reach out  
What about when I was broke and doing coke?  
I was still rapping back then  
So ya see me solo standing in the storm  
Don't say hello, I'm about to transform  
And swarm, like a beehive  
Might lose the fight, but when the war  
And I'm in a war, battle rap  
That's why I don't battle rap
