When somebody loves you  
It's no good unless they love you  
All the way  
Happy to be near you  
When you need someone to cheer you  
All the way

Taller than the tallest tree is  
That's how it's got to feel  
An' deeper than the deep blue sea is  
That's how deep it goes, if it's real

When somebody needs you  
It's no good unless they need you  
All the way  
Through the good or lean years  
Through all the in between years  
Come what may

Who knows where the road will lead us  
Only a fool would say  
But if you'll let me love you  
For sure I'm gonna love you  
All the way, all the way

When somebody loves you  
It's no good unless they love you  
All the way  
Happy to be near you  
When you need someone to cheer you  
Come what may

Who knows where the road will lead us  
Only a fool would say  
But if you'll let me love you  
For sure I'm gonna love you  
All the way, all the way
