If you ever change your mind
About leaving, leaving me behind
Oh, bring it to me, bring your sweet loving
Bring it on home to me, oh yeah, oh yeah

I know I laughed when you left
But now I know I've only hurt myself
Oh, bring it to me, bring your sweet loving
Bring it on home to me, oh yeah, oh yeah

I'll give you jewelry and money too
And that's not all, that's not all I'd do for you girl
Just bring it to me, bring your sweet loving
Bring it on home to me, oh yeah, oh yeah

You know I'll always be your slave
Until I'm dead and buried in my grave
Oh just bring it to me, bring your sweet loving
Just bring it on home to me, oh yeah, oh yeah

If you ever change your mind
About you leaving, about you leaving me behind
Oh, bring it to me, just bring your sweet loving
(Bring it on home to me)
Oh yeah, bring it on home to me, yeah
(Bring it on home to me)

Baby if you ever, if you ever change your mind
(Bring it on home)
Oh yeah, bring it on home to me
Just bring it on home to me, bring it on home
(Bring it on home)
Bring it on home, ooh
