Can you feel me?  
Can you feel me?

Verse 1:

I don't want to open my eyes  
Cause if I do, I'll have to leave u and I don't understand  
why  
my heart wont do what i tell it to

Chorus:

Wash over me with anything but your tears  
Wash over me with anything but my fears  
Come on, come on  
Can you feel me trying to leave your arms?  
Can you hear me begging to stay?  
Can you feel me trying to leave your arms?  
Can you beg me, beg me to stay

Verse2:

I don't want to say goodbye cause if I do  
I may not leave you  
And I don't ever want to cry cause  
Without that I may never breathe you

Chorus:

Wash over me with anything but your tears  
Wash over me with anything but my fears

Come on, come on  
Can you feel me trying to leave your arms

Can u hear me begging to stay?  
Can you feel me trying to leave your arms?  
Can you beg me, beg me to stay

Verse 3:

Why don't you warm up these lips,  
With your fingertips  
Oh my body just aches at the thought of you saying,  
Good-bye  
Oh, when you look at me with them gorgeous eyes  
You know that I can't pretend, is this the end? it feels so

right  
So

Chorus:

Can you feel me trying to leave your arms?

Can u hear me begging to stay?

Can you hear me?

Can you feel me trying to leave your arms?

Your arms, no...

Can you beg me, beg me to stay

X4 Can you feel me?

Beg me to stay.....

Can you feel me

Can you beg me to stay, stay, stay?

X2 I don't want to open my eyes cause if

I do I may not leave you
