Every time I think of you
My heart starts movin' like a freight train
And having you is tearing me apart
I don't really need the pain, no

Sometimes I feel like leavin' for good
But I'm a fool who wouldn't leave you, even if I could

Can't hold on
(Can't hold on)
Can't let go
(Let go, let go)
Can't hold on
(I can't hold on)
Can't let go
(I can't let go)

Every time you touch me, well you know
I feel the blood rushing through my veins
Girl you mean so much to me, that's the reason
Why you're driving me insane

Ooh, every night I'm losin' too much sleep
I can't give up, 'cause now I'm in too deep with you

Can't hold on
(I can't hold on)
Can't let go
(I can't let go)
Can't hold on
(I can't hold on)
Can't let go
(Oh no)

I can't live with you, I can't live without you
I still don't know just what I'm going to do about you
Heart to heart, I'd never run away
It's time to part, but I can't say good-bye

I love you so much
(Can't hold on)
Need you so much

(Can't let go)
But you're tearing me apart
(Can't hold on)

Oh
(Can't let go)
Can't let go, can't let go
(Can't hold on)
Oh no
(Can't let go)
Can't hold on
(Can't hold on)

I can't say good-bye
(Can't hold on)
I can't hold on
(I can't let go)
(I can't hold on)
(I can't hold on)
