Completely  
Wanna give my love, completely  
I'd rather be alone than be  
In love just half the way  
I want to find someone  
That I can trust

Completely  
Wanna give my heart, completely  
To someone who'll completely give  
Their heart to only me  
And when I find that one  
That's when I'll fall in love

Completely  
Not half but whole  
With heart and soul, completely  
Not in between  
But everything, completely  
That's the way it's gotta be  
The way I want someone to fall in love with me

Forever  
Wanna feel the word, forever  
And know there'll be somebody there  
Forever by my side  
And when that feelin' comes  
That's when I'll give my love

Completely  
Not half but whole  
With heart and soul, completely  
Not in between  
But everything, completely  
That's the way it's gotta be  
The way I want someone to fall in love with me

It's all or nothin' at all  
For this heart of mine  
And I won't give up this heart  
Until the day I find  
Somebody who can be

Someone who loves me

Completely

Not half but whole

With heart and soul, completely

Not in between

But everything, completely

That's the way it's gotta be

The way I want someone to fall in love with me

The way I'll meet someone to fall in love with me

Ohh yea

Ohh
