You said it wasn't my way  
To play my hand and make you see  
I always knew that one day  
You'd turn around and come to me

And one of us could walk away  
I know that life goes on  
And on and on  
But why don't we just stay

You know it's alright  
Meet me around midnight  
I'm countin' on you tonight  
I'm countin' on you tonight

You know it's alright  
Meet me around midnight  
I'm countin' on you tonight  
I'm countin' on you tonight

You knew it was a long road  
We shared the pain and sacrifice  
But if we had to do it all again  
You know baby, I'd pay the price

And one of us could walk away  
I know that life goes on  
And on and on  
But why don't we just stay

You know it's alright  
Meet me around midnight  
I'm countin' on you tonight  
I'm countin' on you tonight

You know it's alright  
Meet me around midnight  
I'm countin' on you tonight  
I'm countin' on you tonight

You know it's alright  
Meet me around midnight

I'm countin' on you tonight  
I'm countin' on you tonight

And one of us could walk away  
I know that life goes on  
And on and on  
But why don't we just stay

You know it's alright  
Meet me around midnight  
I'm countin' on you tonight  
I'm countin' on you tonight

You know it's alright  
Meet me around midnight  
I'm countin' on you tonight  
I'm countin' on you tonight

You know it's alright  
Meet me around midnight  
I'm countin' on you tonight  
I'm countin' on you tonight
