Don't wanna lose this feelin', it's more than I need to
survive
Just when I stopped believin', that's when you came into
my life
You turned it around, within you I found, everything
that's real to me
I'm lost inside your love and that's just where I wanna
be

Everytime you give your love, it's a fire, it's a miracle
Everytime I feel your love in my life, I know it's a
miracle, everytime

You've got the power, you know it, to touch my every
fantasy
When we make love, you show it, in everything you give
to me
So take what you want, take what you will
You're the one who holds the key
To open up the door, to reach the deepest part of me

Everytime you give your love, it's a fire, it's a miracle
Everytime I feel your love in my life, I know it's a
miracle
Everytime, everytime

Just when I stopped believin', girl, you stepped into my
life
You give me the fire I needed
It was so hard to find, you're givin' it everytime

Everytime you give your love, it's a fire, it's a miracle
Everytime I feel your love in my life, I know it's a
miracle

Everytime you give your love, it's a fire, it's a miracle
Everytime I feel your love, oh, it's just like a miracle

Everytime you give your love, oh, miracle
Everytime I feel your love, oh, miracle

Everytime I taste your love, oh, miracle

Everytime you give your love
