Angels heard me callin'  
Saw the mountains crumble  
Fell in love with the wind

And all the time I spent dreamin' of you  
An' all the love we made  
But I never knew, I found you

I can feel love fallin', fallin'  
I can see it comin', hey  
'Cause Heaven sent you down to me  
Heaven sent you down

Oceans reconfordin'  
To pave the way before me  
Revealing your flawless aura

I saw your wings unveil  
Inviting to me a world of love  
But I wasn't even looking for ya, baby

I can feel love fallin', fallin'  
I can see it comin', hey  
'Cause Heaven sent you down to me  
Heaven sent you down

You became rain in the air  
When you appeared to me  
Like a love mystery  
Feels so real to me

'Cause you came from Heaven  
Sent down straight to me  
There's not another  
That you can love, baby, baby, love

I can feel love fallin', fallin'  
I can see it comin', hey  
'Cause Heaven sent you down to me  
Heaven sent you down

I can feel love fallin', fallin'

I can see it comin', hey  
'Cause Heaven sent you down to me  
Heaven sent you down

I can feel love fallin', fallin'  
I can see it comin', hey  
'Cause Heaven sent you down to me  
Heaven sent you down
