When I met you, oh  
You know at first you had me so confused  
We used to lay awake at night  
Strugglin' with the feelings I so long refused  
When I surrendered my love  
I saw you turn your heart too cold to ice, darlin'  
I put my heart on the line for you  
Oh I did, I put my heart on the line, yeah  
First you take me to the highest ground  
Then you keep me hanging like some village clown

CHORUS:

It's such a fools' game, yeah  
It's such a fools' game  
I keep playing such a fools' game, yeah  
I keep on playin', keep on playin' this fools' game  
Yeah, this fools' game  
I can't take another sleepless night  
Tryin to light the fire down inside of you  
I don't mind, I had to swallow my pride  
To get us feeling like you never knew  
You never knew  
Got the secret in the palm of your hands  
Will you keep it woman, will you break this man

It's such a fools' game, yeah  
It's such a fools' game  
I keep playing such a fools' game, forever  
I keep on playin', keep on playin' this fools' game  
Yeah, this fools' game  
Girl I know, you're playin' full time  
But it may be too late, when you make up your mind

Yeah You keep me in this fools' game  
Forever in your fools' game  
You got me caught up in this fools' game  
Such a fools' game,.. How long... fools' game  
How long ..will you keep me in this smooth game  
Forever such a smooth game...Yeah Fools game  
There's no way to win  
As long as I'm in

To such a fools game  
You waste my precious time  
I put my heart on the line  
You better make up your mind  
Girl, don't try to keep me no more  
You're tryin to keep me in your
