Now I've heard there was a secret chord  
That David played, and it pleases the Lord  
But you don't really care for music, do you?  
Well, it goes like this  
The fourth, the fifth  
The minor fall, and the major lift  
The baffled king composing Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

You faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty in the moonlight overthrew you  
She tied you to the kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
It's true that I have been here before  
I know this room, I've walked this floor  
I used to live alone before I knew you  
I've seen your flag on the marble arch  
Love is not a victory march  
It's a cold and broken Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah
