[Chorus:]

How can we be lovers if we can't be friends  
How can we start over when the fighting never ends  
Baby, how can we make love if we can't make amends  
Tell me how we can be lovers if we can't be,  
can't be friends  
Look at us now, look at us baby  
Still tryin' to work it out  
Never get it right  
We must be fools, we must be crazy  
Whoa, whoa, when there's no  
communication  
Whao, Whoa, it's a no win situation

[Chorus]

We lie awake, this wall between us  
We're just not talking, we got so much to say  
Let's break these chains, our love can free us  
Whoa, Whoa, ain't it time we started tryin'  
Whoa, whoa, gotta stop this love from dying

[Chorus]

Baby, love is tough but we can take it  
Baby, times are rough but we can make it  
We can work it out

[Chorus]
