[Chorus:]

How can we be lovers if we can't be friends
How can we start over when the fighting never ends
Baby, how can we make love if we can't make amends
Tell me how we can be lovers if we can't be,
can't be friends
Look at us now, look at us baby
Still tryin' to work it out
Never get it right
We must be fools, we must be crazy
Whoa, whoa, when there's no
communication
Whoa, Whoa, it's a no win situation

[Chorus]

We lie awake, this wall between us
We're just not talking, we got so much to say
Let's break these chains, our love can free us
Whoa, Whoa, ain't it time we started tryin'
Whoa, whoa, gotta stop this love from dying

[Chorus]

Baby, love is tough but we can take it
Baby, times are rough but we can make it
We can work it out

[Chorus]
