I could hardly believe it
When I heard the news today
I had to come and get it straight from you

They said you were leavin'
Someone's swept your heart away
From the look upon your face, I see it's true

So tell me all about it
Tell me 'bout the plans you're makin'
Tell me one thing more before I go

Tell me how am I suppose to live without you?
Now that I've been lovin' you so long
How am I suppose to live without you?
And how am I suppose to carry on?
When all that I've been livin' for is gone

I didn't come here for cryin'
Didn't come here to break down
It's just a dream of mine is coming to an end

And how can I blame you
When I build my world around
The hope that one day we'd be so much more than
friends

And I don't wanna know the price
I'm gonna pay for dreaming
Even now it's more than I can take

Tell me how am I suppose to live without you?
Now that I've been lovin' you so long
How am I suppose to live without you?
And how am I suppose to carry on?
When all that I've been livin' for is gone

And I don't wanna face the price
I'm gonna pay for dreaming
Now that your dream has come true

Tell me how am I suppose to live without you?

Now that I've been lovin' you so long
How am I suppose to live without you?
And how am I suppose to carry on?
When all that I've been livin' for is gone
