I could hardly believe it  
When I heard the news today  
I had to come and get it straight from you

They said you were leavin'  
Someone's swept your heart away  
From the look upon your face, I see it's true

So tell me all about it  
Tell me 'bout the plans you're makin'  
Tell me one thing more before I go

Tell me how am I suppose to live without you?  
Now that I've been lovin' you so long  
How am I suppose to live without you?  
And how am I suppose to carry on?  
When all that I've been livin' for is gone

I didn't come here for cryin'  
Didn't come here to break down  
It's just a dream of mine is coming to an end

And how can I blame you  
When I build my world around

The hope that one day we'd be so much more than  
friends

And I don't wanna know the price  
I'm gonna pay for dreaming  
Even now it's more than I can take

Tell me how am I suppose to live without you?  
Now that I've been lovin' you so long  
How am I suppose to live without you?  
And how am I suppose to carry on?  
When all that I've been livin' for is gone

And I don't wanna face the price  
I'm gonna pay for dreaming  
Now that your dream has come true

Tell me how am I suppose to live without you?  
Now that I've been lovin' you so long  
How am I suppose to live without you?  
And how am I suppose to carry on?  
When all that I've been livin' for is gone
