How can we be lovers if we can't be friends?  
How can we start over when the fighting never ends,  
baby?  
How can we make love if we can't make amends?  
How can we be lovers if we can't be, can't be friends?

Look at us now, look at us, baby  
Still trying to work it out, never get it right  
We must be fools, we must be crazy  
Oh, when there's no communication  
Oh, it's a no win situation

How can we be lovers if we can't be friends?  
How can we start over when the fighting never ends,  
baby?  
How can we make love if we can't make amends, tell  
me  
How can we be lovers if we can't be, can't be friends?

We lie awake, this wall between us  
We're just not talking, we've got so much to say  
Let's break these chains, our love can free us  
Oh, ain't it time we started trying  
Oh, gotta stop this love from dying

How can we be lovers if we can't be friends?  
How can we start over when the fighting never ends,  
baby?  
How can we make love if we can't make amends?  
How can we be lovers if we can't be, can't be friends?

Baby, love is tough but we can take it  
How can we be lovers?  
Baby, times are rough but we can make it  
We can work it out

How can we be lovers if we can't be friends?  
How can we start over when the fighting never ends,  
baby?  
How can we make love if we can't make amends, tell  
me  
How can we be lovers if we can't be, can't be friends?

How can we be lovers if we can't be friends?  
How can we start over when the fighting never ends,  
baby?  
How can we make love if we can't make amends?  
How can we be lovers if we can't be, can't be friends?

How can we be lovers if we can't be friends?  
How can we start over when the fighting never ends,  
baby?  
How can we make love if we can't make amends?  
How can we be lovers if we can't be, can't be friends?

How can we be lovers if we can't be friends?  
How can we start over when the fighting never ends,  
baby?  
How can we make love if we can't make amends?  
How can we be lovers if we can't be, can't be friends?
