I have often dreamed of a far off place,  
Where a heros welcome would be waiting for me.  
Where the crowds would cheer, when they see my  
face,  
And a voice keeps saying this is where I'm meant to be

I'll be there someday, I can go the distance.  
I will find my way if I can be strong.  
I know every mile would be worth my while,  
When I go the distance, I'll be right where I belong.

Down an unknown road to embrace my fate,  
Though that road may wander, it will lead me to you.  
And a thousand years would be worth the wait.  
It might take a lifetime but somehow I'll see it through

And I won't look back, I can go the distance,  
And I'll stay on track, no I won't accept defeat,  
It's an uphill slope,  
But I won't loose hope, 'till I go the distance  
And my journey is complete, oh yeah.

But to look beyond the glory is the hardest part,  
For a heros strength is measured by his heart, ohh...

Like a shooting star, I will go the distance,  
I will search the world, I will face it's harms,  
I don't care how far, I can go the distance,  
'Till I find my heros welcome waiting in your arms.

I will search the world, I will face it's harms  
'Till I find my heros welcome waiting in your arms.
