Gimme back my breath
Gimme back my senses
Gimme back my life
All My Second chances
If I'm gonna give my all
Never be without you
Tell me will you catch my fall
'Cause I'm about to
Love is written on your face
You believe in what you found
I'll be lost in time and space
Until I hear that sound

I wanna hear you say it
Doesn't get any better than this
If this ain't really love
Than tell me baby what it is
Without you I can't breathe
What do you promise me
I wanna hear you say it
I wanna hear you say it

Gimme back my pride
Take away my silence
Gimme back my faith
Show me where this road ends
Take away my choice
Deliver me forever
You can free me with your voice
Even if you whisper
Love is written on your face
You believe in what you found
I'll be lost in time and space
Until I hear that sound

I wanna hear you say it
Doesn't get any better than this
If this ain't really love
Than tell me baby what it is
Without you I can't breathe
What do you promise me
I wanna hear you say it

I wanna hear you say it

Don't make me wait for it
You know I ache for it
Don't make me break down and walk away
Your eyes have said to me
Walk to the ledge with me
We're on the edge baby
Tell me what I need to know

I wanna hear you say it
Doesn't get any better than this
If this ain't really love
Than tell me baby what it is
I wanna hear you say it
Doesn't get any better than this
If this ain't really love
Than tell me baby what it is
Without you I can't breathe
What do you promise me
I wanna hear you say it
I wanna hear you say it

I wanna hear you say it
Doesn't get any better than this
If this ain't really love
Than tell me baby what it is
Without you I can't breathe
What do you promise me
I wanna hear you say it
I wanna hear you say it
