I am broken, there's a stranger on the phone  
Something's missing from seven years ago  
You tell me, "Baby, don't you cry anymore  
That's the past and not what we've become"  
But I know  
I am shaking, not a breath left to breathe  
All this sadness, so cold that I can't speak  
Look me in the eyes  
You know it's okay that we didn't make it forever  
Oh, come hold my hand  
Hold on to this last minute we have together  
I'm not ready to say goodbye  
You and God both know all the years I've tried  
And if it's over, give me the strength to go  
'Cause I know I'm never gonna be  
I'll never be ready to say goodbye to you  
My bags are all packed, waiting at the door  
It's hard to imagine I won't live here anymore  
I'm scared of tomorrow and the emptiness to come  
But I've changed for the better since I've known your  
love  
So look me in the eyes  
You know it's okay we didn't make it forever  
Come, hold my hand  
Let's hold on to this last minute we have together  
I'm not ready to say goodbye  
You and God both know all the years I've tried  
And if it's over give me the strength to go  
'Cause I know I'm never gonna to be  
I'll never be ready to say goodbye to you  
I'm not ready  
And even if we tried  
We would end up right back to this place together, oh  
And this was not a lie  
And what we had will always be a real love forever  
'Cause I'm not ready to say goodbye  
You and God both know all the years I've tried  
And if it's over, give me the strength to go  
'Cause I know I'm never gonna to be  
I'm not ready to say goodbye  
You and God both know all the years I've tried  
And if it's over, give me the strength to go

'Cause I know I'm never gonna to be  
I'll never be ready to say goodbye to you  
I'll never be ready, say goodbye to you
