So alive, when you're near
Sometimes this poundin' in my heart, is all I can hear
Everyday, every night
I feel my weakness gettin' stronger
Each moment passin' by

Keep tryin' to tell my heart
It's a matter of time, till the feelin' subsides
Time doesn't change a thing
And I want you to know
That I need you more than ever

Never get enough of your love
It would only take me
To the end of forever
Never get enough of your love
(Never get enough of your love)
Heaven knows I've tried
But I can't get enough of your love

Can't deny, what I feel
The more I fall into this dream, the more I know it's real
I just run, to your touch
'Cause nothin' else can satisfy, this hunger for your
love

Say that a time will come, when the thrill is gone
Still it keeps growin' strong
Time doesn't mean a thing
'Cause as good as it gets
But it just keeps gettin' better

Never get enough of your love
It would only take me
To the end of forever
Never get enough of your love
(Never get enough of your love)
Heaven knows I've tried
But I can't get enough of your love

The more I feel, the more I feel about you
The trouble is I never get enough

The more I live the more I just can't live without you
Never enough
No never enough of your love

Never get enough of your love
It would only take me
To the end of forever
Never get enough of your love
(Never get enough of your love)
Heaven knows I've tried
But I can't get enough of your love

Your love
(Never get enough of your love)
Oh
Baby up to to my heart, it'll take me forever
Never, never, never
(Never get enough of your love)
Never get enough of your love
Ohh
(Never get enough of your love)
Ohh
(To the end of forever)
(Never get enough of your love)
(Never get enough of your love)
