Don't know why I never told you  
There was something in your eyes  
That took my breath away  
And every word I meant to say

Now, I know I'd give my soul to you  
Take you back in time and hold you  
Just for one more day  
So I wouldn't have to hurt this way

So I beg and plead, I'm on my knees  
Gonna show you how long I can wait  
I can't keep holding on  
If you're telling my heart, it's too late

Next lifetime our love will be deeper  
And I'll hold you sweeter  
I won't waste so much time

Next lifetime I'll find you sooner  
And I'll kiss you better  
I won't lose you next time  
Oh, I will lay my heart on the line, next lifetime

I don't know what I was thinking  
But giving you a part of me  
Wasn't good enough  
I never gave you all my love

I can't believe I was such a fool  
All I needed was to prove to you  
I could feel like this  
Could have said it all in our last kiss

Oh, I beg and plead, I'm on my knees  
I can never unmake my mistake  
I can keep holding on  
But if somebody's taking my place

Next lifetime our love will be deeper  
And I'll hold you sweeter  
I won't waste so much time

Next lifetime I'll find you sooner  
And I'll kiss you better  
I won't lose you next time  
Oh, I will lay my heart on the line

I never knew how long the nights could be  
Until you slipped right through my hands  
How do I make you believe  
That I deserve a second chance

Take me back, take me back, take me back  
To the place where your heart was mine  
If I could take you back in time

I will lay my heart on the line, yeah  
I will lay my heart on the line
