It's beautiful, your honesty
You cry when you need to
Say what you feel

You're never afraid to wear
Your heart on your sleeve
You're always so open with me

It's in your voice, I can hear it
The sound of a woman in love

Only a woman can love you so much
Give you her life and give you her trust
Not any woman can do what you do
Only a woman like you

It's magical, your love for me
It's more than a man could ever receive
I'm just a man and it's hard to believe
A woman like you could love me

It's in your eyes, I can see it
The look of woman in love

Only a woman can love you so much
Give you her life and give you her trust
Not any woman can do what you do
Only a woman like you, oh

If only I could find the words to say
But I just can't so, forgive me
'Cause you took the words away
Yeah, you answered every prayer I always prayed

It's in your touch, I can feel it
The feeling of a woman in love

Only a woman can love you so much
Give you her life and give you her trust
Not any woman can do what you do
Only a woman like you, yeah

Only a woman can love you so much
Give you her life and give you her trust
Not any woman can do what you do
Only a woman like you
