Ooo hoo hoo

You are the candle, love's the flame  
A fire that burns through wind and rain  
Shine your light on this heart of mine  
Till the end of time

You came to me  
Like the dawn through the night  
Just shinin' like the sun  
Out of my dreams and into my life  
You are the one, you are the one

Said I loved you but I lied  
'Cause this is more than love I feel inside  
Said I loved you but I was wrong  
'Cause love could never ever feel so strong  
Said I loved you but I lied

With all my soul I've tried in vain  
How can mere words, my heart explain?  
This taste of heaven so deep so true  
I've found in you

So many reasons in so many ways  
My life has just begun, yea  
Need you forever and I need you to stay  
You are the one, you are the one, oh

Said I loved you but I lied  
'Cause this is more than love I feel inside  
Said I loved you but I was wrong  
'Cause love could never ever feel so strong  
I said I loved you but I lied

You came to me  
Like the dawn through the night  
Just shinin' like the sun  
Out of my dreams and into my life  
You are the one, you are the one

Said I loved you but I lied

(Said I loved you but I lied)  
'Cause this is more than love I feel inside  
(Said I loved you but I lied)  
Said I loved you but I was wrong  
(Said I loved you but I am wrong)  
'Cause love could never ever feel so strong  
(Hmm, hmm hmm)

Said I loved you  
(Said I loved you)  
'Cause this is more than love I feel inside  
Said I loved you  
But I lied
