When you just give love
And never get love
You'd better let love depart
I know it's so and yet I know
I can't get you out of my heart

You made me leave my happy home
You took my love and now you're gone
Since I fell for you
Oh love brings such misery and pain
I know I'll never be the same
Since I fell for you

Now it's too bad, and it's too sad
But I'm in love with you
You love me, then you snub me
But what can I do
I'm still in love with you

I guess I'll never, never see the light
I get the blues most every night
Since I fell for you
Since I fell for you
