We may be strangers  
We may be worlds apart sometimes  
And it's hard to accept  
The things we just don't understand, yeah  
So blind to each other  
We only see one side of nowhere  
Somethings we may never know  
If there's one thing you should ever know

Soul of my soul, heart of my heart  
The greatest treasure of my life that's what you are  
(Ooh ooh ooh)  
Soul of my soul, child of my heart  
I love you more than you know, soul of my soul

Into this world  
We come with a heart that's open wide  
And the best of this life  
Is all I ever want for you  
The love you believe in  
Your every dream your every passion  
In time I know you'll come to see  
Nothin' means as much to me

Soul of my soul, heart of my heart  
The greatest treasure of my life that's what you are  
(Ooh ooh ooh)  
Soul of my soul, child of my heart  
I love you more than you know, soul of my soul

There'll come a time when you'll be on your own  
But in your heart you're never far from home  
Every road you take, every living day  
You will always be, you will always be  
Soul of my soul

Soul of my soul, heart of my heart  
The greatest treasure of my life that's what you are  
(Ooh ooh ooh)  
Soul of my soul, child of my heart  
I love you more than you know, soul of my soul

Soul of my soul  
Some kind of miracle of life that's what you are  
(Ooh ooh ooh)  
Blood of my blood, and light of my life  
You mean much more than you know, soul of my soul

(Oh)  
Soul of my, soul of my, soul of my, soul of my soul  
(Oh)  
Soul of my, soul of my, soul of my, soul of my soul  
(Ooh hoo)  
(Soul of my soul)  
Soul of my, soul of my, soul of my, soul of my soul  
(A part of me)  
Soul of my, soul of my, soul of my, soul of my soul  
(A part of me, yeah hey)  
(Soul of my soul)  
Soul of my, soul of my, soul of my, soul of my soul  
(Soul of my soul ho oh oh)  
Soul of my, soul of my, soul of my, soul of my soul  
(Ooh hoo ooh)  
(Love is me)  
Soul of my, soul of my, soul of my, soul of my soul  
(Soul of my soul)  
Soul of my, soul of my, soul of my, soul of my soul  
(Hoo ooh hoo ooh)  
Soul of my, soul of my, soul of my, soul of my soul  
(Hoo ooh hoo)  
Soul of my, soul of my, soul of my, soul of my soul
