In the night I hear you speak
Turn around, you're in my sleep, yea
Feel your hands inside my soul
You're holding on and you won't let go, yea

I've tried runnin' but there's no escape
Can't bend them and I just can't break these

Steel bars wrapped all around me
I've been your prisoner since the day you found me
I'm bound forever, till the end of time
Steel bars wrapped around this heart of mine

Tryin' hard to recognize
See the face behind the eyes
Feel your haunting ways like chains
Around my heart they still remain

I'm still runnin' but there's nowhere to hide
My love for you is standin' locked up inside me

Steel bars wrapped all around me
I've been your prisoner since the day you found me
I'm bound forever, till the end of time
(Uh)
Steel bars wrapped around this heart of mine

And with every step I take
Every desperate move I make
It's clear to me

What can all my livin' mean
(Uh)
When time itself is so obscene
When time itself don't mean a thing
I'm still lovin' you

Steel bars wrapped all around me
I've been your prisoner since the day you found me
I'm bound forever, till the end of time

Steel bars wrapped all around me

I've been your prisoner since the day you found me
I'm bound forever, till the end of time
Steel bars

Steel bars wrapped all around me
(Wrapped around this heart of mine)
I've been your prisoner since the day you found me
(Oh)
I'm bound forever, till the end of time
Steel bars
(Steel bars)

Steel bars wrapped all around me
(Uh)
I've been your prisoner since the day you found me
I'm bound forever, till the end of time

Steel bars wrapped all around me
