I've got this somethin' to tell you.
There ain't no doubt in my mind.
All I'm askin' is to keep you near forever.
Just till the end of time.

Baby I know where love grows.
My heart is overflowin'.
You're so fine and so true.
I wanna spend my time, spend the time with you, baby

[chorus]
I've got the best of love.
With every breath and every beat of my heart.
You know you've got me by my deepest emotion.
'Cause you keep givin' me the best of love.

Passion and sweet inspiration.
So rare and so hard to find.
You are my journey and my destination.
Queen of this heart of mine.

Baby I know when love grows.
My life it's overflowin'.
You're so fine and it's so true.
I know I've got it all, all because of you, baby

[chorus]
I've got the best of love.
With every breath and every beat of my heart.
You know you reach into my deepest emotion.

And you keep givin' me, the best of love.

With every moment that passes by,
This love goes on.
It keeps growin' stronger.
And the more we're together,
The best keeps gettin' better, baby

[chorus]
I've got the best of love.
With every breath and every beat of my heart.

You know you're down inside my deepest emotion.
So just keep givin' me,
the best of love.

I've got the best of love.
With every breath and every beat of my heart.
Ain't nothin' finer than that sweetest emotion.
Just keep givin' me..
just keep on givin' me, the best of love.
best of love, baby.
You know you've got me,
deepest emotion.
Keep on giving me,
The best of love,best of love, best of love,baby
Aint nothing better than..
Best of love,baby..
Keep on giving me,keep on giving me..
