Gotta get close to me,
Gotta let love inside,
Gotta get into my arms
And listen to the voice of my heart
Oh ooh ooh

Searchin' my soul, searchin' for somethin'
To find a way to make you believe, yeah
And what can I say, words don't mean nothin'
Oh, what can I do, to prove what I'm feelin' for you

Oh, I could promise you love eternally
Swear you mean the world to me
Tell you over and over, get down on my knees
To hold you and make you believe

CHORUS:

Gotta get close to me, gotta let love inside
Gotta get into my arms and listen to the voice of my
heart
Baby, the only way you'll know the sound inside my
soul
Gotta get close to me and listen to the voice of my
heart

Look into my eyes, don't look behind you
Let me take you where heaven is waiting
Right here in my arms, yeah
I promise this time real love will find you
Oh, what can I do, to just make this one thing come true

Oh, I would take your heart into my hands
Shelter you, make you understand
Tell you over and over, you're all that I need
To hold you and make you believe

CHORUS

Talkin' 'bout some deep emotion
You'll find it when you look in my eyes
Lookin' for some real emotion

Come into my life, come into my arms
Come closer, come closer
It don't mean a thing until I can make you believe

(Gotta get close to me, gotta let love inside
Gotta get into my arms)
And listen to THE VOICE OF MY HEART!

CHORUS

(Listen to the voice of my heart) Baby...
(Listen to the voice of my heart) Gotta get close to me...
Gotta let love inside...(listen to the voice of my heart)
Baby...Get close to me...
(Listen to
