(yeah, oh oh oh)
(oh oh oh oh)
(oh oh oh oh oh)
(oh oh oh oh oh oh)

It's like chasing shadows
I've never seem to win
Just when I'm over you
I feel myself falling again
No hope of grace
I'm losing faith
All I can do is pray

Can you hear me?
Can you hear me? (oh oh)
Can you hear me?

Cause it feels like the weight of the world
Has the angels turned their back on me?
Cause it feels like the weight of the world
Can't let go of what we used to be

(oh oh)
I know I'm positive
I know I've heard it
I've left on my knees
Cause it feels like the weight of the world
Cause I still remember how it felt (oh)

When you love me
When you love me (oh)

I've got no road to follow
and with no eyes to see
No love to borrow
So she left, I can barely breathe
Alone in place
and it can't be change
All I can do pray

Can you hear me?
Can you hear me? (oh oh)

Can you hear me? (oh oh oh)

Cause it feels like the weight of the world
Has the angels turned their back on me?
Cause it feels like the weight of the world
Can't let go of what we used to be

(oh oh)
I know I'm positive
I know I've heard it
I've left on my knees
Cause it feels like the weight of the world
Cause I still remember how it felt (oh oh)

When you love me (oh)
When you love me
Love me again and set me free
Love me again (no oh oh oh)
Love me again and set me free

Cause it feels like the weight of the world
Has the angels turned their back on me?
Cause it feels like the weight of the world
Can't let go of what we used to be

(oh oh)
I know I'm positive
I know I've heard it
I've left on my knees
Cause it feels like the weight of the world
Cause I still remember how it felt (oh oh)

When you love me, you love me
Say you love me again
When you love me (oh oh)
