I wake up while you lie sleepin'  
I take one look at you and wonder, am I still dreamin'?  
Are you some kind of angel, come down to save me  
Or just some place my imagination's tryin' to take me

What have I done to deserve what I feel  
You give me somethin' that's too good to be real  
How does a treasure like you fall into my hands  
I need to know just one thing, I still don't understand

Why do you love me?  
Why do you give so much?  
How do you heal the pain within me?  
Is it the power of your touch?  
Now that you've opened up the Heavens  
For this heart of mine to see  
I've become the richest man that I could ever be  
Baby why, baby why me, why me, why me

I ain't got a clue, maybe just a notion  
Sometimes I'm helplessly adrift out in the ocean  
I feel like a child with one sole intention  
In the search of an answer that defies all  
comprehension

I'm in too deep but that's what you're all about, yeah  
Got no hope or desire of finding my way out  
How does a treasure like you fall into my hands?  
I need to know that one thing, can you help me  
understand?

Why do you love me?  
Why do you give so much?  
How do you heal the pain within me?  
Is it the power of your touch?  
Now that you've opened up the Heavens  
For this heart of mine to see  
I've become the richest man that I could ever be  
Baby why, baby why me

Could've been anyone in this world, why me  
Every lesson that I've learned

You've come to me and shown me  
What it means to be loved  
What it means to be loved

Why do you love me?  
Why do you give so much?  
How do you heal the pain within me?  
Is it the power of your touch?  
Now that you've opened up the Heavens  
For this heart of mine to see  
I've become the richest man that I could ever be  
Baby why, baby why me, why me, why me, why me

Help me understand just what you've done to me  
'Cause, I'm the richest man that I could ever be  
Tell me why, tell me why, baby  
Tell me why, tell me why, baby  
Baby why me, why me, baby why me  
How do you heal me?  
Is it the power of your  
How do you heal me?
