Don't know much about history
Don't know much biology

Don't know much about the science book

Don't know much about the french I took.
But I do know that I love you
And I know that if you love me
Too -
What a wonderful world this would be.

Don't know much about geography

Don't know much trigonometry

Don't know much about algebra

Don't know what a slide rule is for.
But I do know one and one is two

And if this one could be with you -

What a wonderful world this would be.

Now I don't claim to be an 'a' student
But I'm trying to be.
For maybe by being an 'a' student baby

I can win your love for me.

Don't know much about history
Don't know much biology

...

History - biology - science book - french I took
But I do know that I love you

And I know that if you love me
Too -
What a wonderful world this would be.
