The ends of the earth
Are the lengths I would go to for you
For you
And the weight of the world
I'd lay upon my shoulders for you
For you
I'll do anything
You asked me to.

And when I'm asleep
I dream that I'm sleeping with you
With you
And when I awake
I'll kiss you so sweetly you'll know
That it's true
I'll do anything
You ask me to.
Ask me to settle any score
To escalate a war
I'll always know what I was
Fighting for.

You are the one
A dream has been given to me
To me
And nothing you ask
Will go against my nature you see
It's easy
I'll do anything
You ask of me.

I'll do anything
You ask of me.

Ask me to settle any score
To escalate a war
I'll always know what I was

Fighting for.

You are the one
A dream has been given to me
And it's easy
I'll do anything
Anything
Anything
You ask of me.
