Well, now it takes more than a robin to make the winter
go
And it takes two lips for fire to melt away the snow
Well, it takes two hearts cookin' to make a fire grow
And baby, you've got what it takes
Nice and hot, alright baby

You know it takes a lot of kissin' to make a romance
sweet
Oh, it takes alot of lovin', oh, to make my life complete
Oh, well it takes somebody special to knock me off my
feet
And baby, you've got what it takes, I said
You know you've got just what it takes

Because it takes more than an effort to stay away from
you
And it takes more than a lifetime to prove that I'll be
true
But it takes somebody special to make me say I do
And baby, you've got what it takes
You know you've got just what it takes

Because it takes a lot of effort to stay away from you
And it takes more than a lifetime to prove that I'll be
true
Well, it takes somebody special to make me say I do
And baby, you've got what it takes

Ah, let's come on, say that again, honey
And baby, you've got what it takes
One more time, come on
And baby, you've got what it takes

You got it, you got it
You know you've got what it takes
You got it, you've got it
Baby, don't you know you've got what it takes?
You got it, you've got it
You've got it, baby
