Here that, cutes?  
Put on your dancing boots  
And come dance with me!  
Come dance with me,  
What evening for some terpsichore!  
Pretty face, I know a swinging place  
Come on, dance with me!  
Romance with me on a crowded floor!

And while the rhythm swings,  
What lovely thing I'll be saying!  
And what is dancing  
But making love, set the music!  
When the band begins to leave the stand  
And folks start to roam,  
As we walk home, cheek to cheek we'll be  
So come on, come on, come on,  
Come on and dance with me!

Hear that, sweats,  
Throw on those Latin...  
And come dance with me!  
What I mean is, come on and my  
Let's cha-cha-cha!  
And leave your sweat and do the bango bet  
Come on, dance with me!  
Romance with me uh, la, la  
I don't care what it has,  
Cause that jargon jazz makes me move it!  
And we charade  
When the band starts to groove it,  
They groove it!

Come on by, cause we're set to fly  
And I'll let you lead  
If that's agreed, you'll know where I'll be!  
So come on, come on, come on  
Come and dance with me!  
I'll do the cha-cha-cha, uh, the merengue  
We'll grow the tango  
Come on and dance with me!
