I can hear her heartbeat for a thousand miles
And the Heavens open every time she smiles
And when I come to her that's just where I belong
Yet, I'm running to her like a river strong

She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love

She's got a fine sense of humor when I'm feeling low
down
And when I come to her when the sun goes down
She takes my troubles all away, takes away my grief
Takes away my heartache, in the night like a thief

She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love

She gives me love, love, love, love, crazy love

Yes, I need her in the daytime
Oh, but I need her in the night
Yes, I want to throw my arms around her
And kiss and hug, and kiss and hug her tight

And when I'm returning from so far away
She gives me some sweet lovin', brighten up my day
Yes, it makes me righteous, it makes me whole
And makes me mellow, down to my soul

She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love
(I need her her love, love, love, love, crazy love)

Crazy love
Crazy love
Crazy love
