"Dream A Little Dream"

Stars shining bright above you, night breezes seem to whisper, "I love you".

Birds singing in the sycamore tree, "Dream a little dream of me".

Say "nighty-night" and kiss me. Just hold me tight and tell me you'll miss me.

While I'm alone and blue as can be, dream a little dream of me.

Stars fading, but I linger on, dear.

Still craving your kiss, I'm longing to linger till dawn, dear.

Just saying this: Sweet dreams till sunbeams find you.

Sweet dreams that leave all worries behind you.

But in your dreams whatever they be, dream a little dream of me.

Stars fading, but I linger on, dear.

Still craving your kiss, I'm longing to linger till dawn, dear.

Just saying this: Sweet dreams till sunbeams find you.

Sweet dreams that leave all worries behind you.

But in your dreams whatever they be, dream a little dream of me.
