I miss the way that you walk, the way that you talk
I miss the way that you smile, I haven't seen it for a
while
And though all of this is true, the only thing that keeps
me blue
Is that my dumb ol' heart, just won't stop missing you.

You got more grace than a movie star, your lips are
sweeter than a candy bar
And though you're meaner than a crocodile, you know
I'd walk a thousand miles
Just to say the words "I love you," and the words "I love
you too, I do"
Oh my dumb ol' heart just won't stop missing you

Every time you go away, I miss you so
Every time you leave me dear, my heart will let me
know

I'm so lucky that you are mine, I'm gonna love you till
the end of time
And if you ever ever need a friend, you know I'll be
there till the end
For you made my life worth living, when you said that
you loved me too
And now my dumb ol' heart [his dumb ol' heart]
My dumb ol' heart [his dumb ol' heart]
It's so dumb for missing you
Look out ol' Mikey is back
