You're a falling star
You're the getaway car
You're the line in the sand
When I go too far

You're the swimming pool
On an August day
And you're the perfect thing to say

And you play it coy
But it's kinda cute
Oh when you smile at me
You know exactly what you do

Baby don't pretend
That you don't know it's true
'Cause you can see it
When I look at you

And in this crazy life
And through these crazy times
It's you, it's you
You make me sing
You're every line
You're every word
You're everything

You're a carousel
You're a wishing well
And you light me up
When you ring my bell

You're a mystery
You're from outer space
You're every minute of my every day
And I can't believe
That I'm your man
And I get to kiss you baby
Just because I can

Whatever comes our way
We'll see it through

And you know
That's what our love can do

And in this crazy life
And through these crazy times
It's you, it's you
You make me sing
You're every line
You're every word
You're everything

And so la la la la, la la la
So la la la la, la la la

And in this crazy life
And through these crazy times
It's you, it's you
You make me sing
You're every line
You're every word
You're everything

You're every song
And I sing along
'Cause you're my everything
Yeah, yeah

So la la la la, la la la
So la la la la, la la-la-la, la la la
