When I look into your eyes  
I see sunshine  
The clouds are blown away  
I hope you're here to stay  
'Cause you've got me needin' more of you  
Guess I'm fallin' 4 U

You walk away  
My eyes caress you  
Then you turn and smile  
You've caught me thinkin' of love with you  
Guess I'm fallin', I may be fallin' 4 U

Since I met you days are brighter  
Life's uneven loads are lighter  
When I hear you whisper  
The words I long to hear, dear

Now I look into your eyes  
I'm lost in knowin' that you are all I want  
My need for you is growing  
Guess I'm fallin', I think I'm fallin' 4 U  
Think about fallin' for me too
