I'm not surprised.  
Not everything lasts.  
I've broken my heart so many times I stopped keeping track.  
Talk myself in.  
I talk myself out.  
I get all worked up, then I let myself down.

I tried so very hard not to lose it.  
I came up with a million excuses.  
I thought I thought of every possibility.

And I know someday that it'll all turn out.  
You'll make me work so we can work to work it out.  
And promise you, kid, that I'll give so much more than I get.  
I just haven't met you yet.

Mmmm...

I might have to wait.  
I'll never give up.  
I guess it's half timing,  
And the other half's luck.  
Wherever you are.  
Whenever it's right.  
You'll come out of nowhere and into my life.

And I know that we can be so amazing.  
And baby your love is gonna change me.  
And now I can see every possibility.

Mmmm...

But somehow I know that it'll all turn out.  
And you'll make me work so we can work to work it out.  
And I promise you, kid, I'll give so much more than I get.  
I just haven't met you yet.

They say all's fair.  
In love and war.

But I won't need to fight it.  
We'll get it right and,  
We'll be united.

And I know that we can be so amazing.  
And being in your life is gonna change me.  
And now I can see every single possibility, mmmm.

And someday I know it'll all turn out.  
And I'll work to work it out.  
Promise you, kid, I'll give more than I get,  
Than I get, than I get, than I get.

Ohhh!

You know it'll all turn out.  
And you'll make me work so we can work to work it out.  
And I promise you, kid, to give so much more than I  
get.  
I just haven't met you yet.

I just haven't met you yet.  
Ohh, promise you, kid, to give so much than I get.

(I said love, love, love, love...)  
I just haven't met you yet

I just haven't met you yet.
