Didn't they always say, we were the lucky ones  
I guess that we were once  
Babe we were once  
But luck we leave you 'cause it is a faithless friend  
And in the end  
When life has got you down  
You've got someone here you can wrap your arms  
around

So hold on to me tight  
Hold on to me tonight  
We are stronger here together  
Then we could ever be alone  
So hold on to me  
Don't you ever let me go

There's a thousand ways for things to fall apart  
But it's no one's fault  
No, it's not my fault  
And baby all the plans we made were not worked out  
But I have no doubt even though it's hard to see  
I've got faith in us  
And I believe in you and me

So hold on to me tight  
Hold on I promise it will be alright  
'Cause it's you and me together  
And baby all we've got is time  
So hold on to me  
Hold on to me tonight

And there's so many dreams that we have given up  
Take a look at all we've got  
And with this kind of love  
What we've got here is enough

So hold on to me tight  
Hold on I promise it will be alright  
'Cause were stronger here together  
Then we could ever be alone  
Just hold on to me  
Don't you ever let me go

Hold on to me it's going to be alright  
Hold on to me tonight

They always say  
That we're the lucky ones
