Could you be a teenage idol?  
Could you be a movie star?  
When I turn on my TV will you smile and wave at me?  
Telling Oprah who you are

So you want to be a rock star  
With blue eyed bunny's in your bed  
Well, remember when you're rich that you sold yourself  
for this  
You'll be famous 'cause you're dead

So don't go higher for desire  
Put it in your head  
Baby, Hollywood is dead  
You can find it in yourself

I don't want to take you dancing  
When you're dancing with the world  
You can flash your caviar and your million dollar car  
I don't need that kind of girl

But you could be that next sensation  
Or will you set the latest style?  
You don't need a catchy song 'cause the kids will sing  
along  
When you shoot it with a smile

So don't go higher for desire  
Put it in your head  
Baby, Hollywood is dead  
You can find it in yourself

So don't fly higher for your fire  
Put it in your head  
Baby, Hollywood is dead  
You can find it in yourself

Keep it in your head  
Hollywood is dead

Well, you can do the mighty tango

You can start your little thing  
You can swing from vine to vine while the kiddies wait  
in line  
With the money in their hands

But if you get to California  
Save a piece of gold for me  
If it's the only thing you save then I'll bet you'll never  
wave  
When I watch you on TV

So don't go higher for desire  
Put it in your head  
Baby, Hollywood is dead  
You can find it in yourself

So don't fly higher for your fire  
Put it in your head  
Baby, Hollywood is dead  
You can find it in yourself

Keep on loving what is true  
And the world will come to you  
You can find it in yourself

Love what is true  
And the world will come to you  
You can find it in yourself  
No, no, no, no, no

Keep it in your head  
Hollywood is dead  
Come, come, Hollywood is dead, babe, woo hoo  
Oh, Hollywood is dead, yeah, yeah

Oh, it's dead, Hollywood is dead, baby, baby, baby  
Keep on loving what is true  
And the world will come to you  
Hollywood is dead

Get it in your head  
Hollywood is dead  
Hollywood is dead  
Hollywood is dead
