I've got a crush on you, my sweetie pie
All the day and night-time hear me sigh
I never had the least notion that
I could fall with so much emotion
Could you coo, could you care
For a cunning cottage that we could share
The world will pardon my mush
'Cause I have got a crush, my baby, on you
Ohh, Could you coo, baby, could you care
For a cunning cottage
we could share
now the world will pardon my mush
'Cause I have got a crush, ohh, you know I've
got it bad for you
