Oh Marie, oh Marie,
In your arms, I am longing to be
Ohh Baby, tell me you love me
Just kiss me once
While the stars shine above me

Hey hey Marie, oh Marie
In your arms, I am longing to be
Ohh Baby, tell me you love me
Hey hey Marie

Oh Marie, oh Marie,
In your arms, I am longing to be
Ohh Baby, tell me you love me
Just kiss me once
While the stars shine above me

Hey hey Marie, oh Marie
In your arms, I am longing to be
Ohh Baby, tell me you love me
Hey hey Marie
