Every street corner youll hear
You can hear
Silver bells silver bells
Its Christmas time in the city
Ring a ling hear them ring
Soon it will be Christmas day
City sidewalks busy sidewalks
Dressed in holiday style
In the air
theres a feeling of Christmas
children laughing people passing
meeting smile after smile
and on every street corner youll hear
you can hear
silver bells silver bells
its Christmas time in the city
ringa ling hear them sing
soon it will be Christmas day
strings of streetlights even stop lights
blink a bright red and green
as the shoppers rush home with there treasures
hear the snow crunch see the kids bunch
this is santas big scene
and above all the bustle youll hear
you can hear silver bells
the corner santa clause silver bells
is busy now because
its Christmas time in the city
ringa ling youll
hear it in the air
hear them ring youll hear it everywhere
soon it will be Christmas day very soon it will be
Christmas day.
