Spiderman, Spiderman

does whatever a spider
spins a web any size
catches theives just like flys

Look out!
here comes the spiderman

is he strong?
listen bud
hes got radioactive blood
can he swing from a thread
take a look overhead
hear that?
there goes the spiderman

in the chill of night
at scene of the crime
like a streak of light,
he arrives just in time

spiderman, spiderman

friendly neighborhood spiderman
wealth and fame, he's ingored
action is his reward

look out
there goes the spiderman

in the chill of night
at scene of the crime
like a streak of light,
he arrives just in time

spiderman, spiderman
friendly neighborhood spiderman
wealth and fame he's ingored
action is his reward

to him... life is a great big ??

where ever theres a crime
youll find the spiderman!
