Spiderman, Spiderman

does whatever a spider
spins a web any size
catches theives just like flys

Look out!
here comes a spiderman

is he strong?
listen good
hes got radioactive blood
can he swing from a thread
take a look overhead
hear that?
there goes a spiderman

in the chill of night
at scene of the crime
like a streak of light,
he arrives just in time

spiderman, spiderman
friendly neighborhood spiderman
fame and fortune is ingored
action is his reward

look out
there goes a spiderman

in the chill of night
at scene of the crime
like a streak of light,
he arrives just in time

spiderman, spiderman
friendly neighborhood spiderman
wealth and fame is ingored
action is his reward

to him... life is a great big ??
where ever theres a crime

youll find the spiderman!
