I gotta have ya
The more I see you
The more I want you
Somehow this feeling
Just grows and grows
With every sigh
I become more mad about you
More lost without you
And so it goes
Can you imagine
How much I love you
The more I see you
As years go by
I know the only one for me
Can only be
My arms won't free you
And my heart won't try

The more I see you
The more I want you
Somehow this feeling
Just grows and grows
With every sigh
I become more mad about you
More lost without you
And so it goes
Can you imagine
How much I love you
The more I see you
As the years go by
For I know the only one for me
Can only be you
My arms won't free you
And my heart won't try
No no no
My arms won't free you
And my heart won't try

The more I see you
I gotta have you
